

The Congregational Library is at 14 Gordon Square, WC1H 0AR, and is administered jointly with Dr Williams's Library. Each Library has its own Library Committee, catalogue and staff.

The Friends' main aim is to help the development of the Congregational Library and to get its resources better known and used. To this end we

- publish a *Newsletter* twice a year which carries articles on the Library's collections and current research activity and is free to members;
- organise a Summer event for members which includes a visit to a place of special interest, as well as reports on on-going or intended research work;
- arrange the annual Congregational Lecture and issue the published copy free to members;
- support the purchase of books and manuscripts;
- offer members the opportunity of training in simple book conservation and support an Adopt a Book scheme;
- plan conferences and open days to publicise select parts of the collection.

Please help us to help the Library to conserve and develop its unique collection of Dissenting literature and archival material and widen its use in scholarship, research and study.

Membership of the Friends costs only £10 annually. Additional donations are always welcome. The membership year begins on 1 April. Life membership is available for £200.

Applications for membership should be sent to the Secretary, Friends of the Congregational Library, 14 Gordon Square, London WC1H 0AR using the form opposite.
